E D I T O R I A L

It seems rather surreal that we are now heading into 2019, and yet here we are, corks popping in all directions, streamers and crooked party hats ready, and of course, the New Year resolutions with all our good intentions, that will probably go out the window come February. But one thing that I can guarantee will never waiver, is Club International bringing you the sexiest babes from all over the globe. Just take a look at what we have this month, Jasmine Webb, August Ames, Roxi Keogh, Rebecca Volpetti, Frida Sante, Layla Summers and the sleeved Kayleigh Wanlass for the cover, whose tattoo's I'm greatly admiring, as well as what there tattooed on...

So keep your resolutions simple this year and indulge in some of the hottest totty around!

Dear Club,
I'm writing to tell your readers about the strangest – not to mention the most totally unexpected – shafting I have ever had. A couple of weeks ago I was out clubbing with my girlfriends. We were dancing together when a really fit bloke came over to us and joined in. Eventually, he paired up with my mate Sara, which left the rest

of us looking on with longing as this really hot guy wrapped his arms around her and practically made love to her on the dance floor. I admit that I was a little bit jealous seeing them together, especially when I ended up spending the rest of the night with a real deadbeat who had a bad case of halitosis.

A couple of days later I was travelling by train to visit a friend when I met up again with the good looking bloke from the nightclub. He was even hotter looking in the daylight, and, recognising me from the nightclub, he sat down beside me and began to make conversation.

Although we were getting on really well and he was making me laugh, I was still a little shocked to feel his hands beginning to move uninvited across my lap to the inside of my

“Finally slid two fingers into my cunt, I shivered and moaned with pleasure.”

thigh. However, my initial flash of outrage disappeared as I felt a slow, tingling warmth spread through my pussy.

The sexy feeling of his thigh pressed against my leg only served to turn me on more. I began to squirm a little in my seat, my dress started to ride up my thighs, and the tiny gusset

of my thong became pulled up between my pussy lips. As the thin nylon of my thong began to rub against my clitoris, I began imagining what it would be like to have him between my thighs, his long, lean body thrusting as he plunged his cock into

me. Almost as if he had read my thoughts, he put his head next to mine and asked whether I fancied going somewhere: “a little less crowded”. I nodded, smiling, and he led me down the swaying train towards an empty toilet!

Pushing me gently into the confined space, he followed close behind me, his torso pressing into my back. There was hardly room in there for the two of us, but there was really no time to think about the practicalities as his hands were already squeezing my breasts from behind. I wriggled sexily against him as he toyed with the erect points of my nipples through the light fabric of my dress, raising it in the process. I was so horny I even rubbed

my almost-bare arse against the front of his trousers, and with a loud moan he unzipped and released his large erection.

I could feel the ridge of his cock pressing against my buttocks, and my pussy lubricated and tightened as he ran his knob between my cunt lips. He was easily as worked-up as I was, and, feeling the massive size of his manhood, I certainly wasn't complaining.

As he slid his hand down and pulled my thong aside, I parted my legs, making it easier for him to find his target. His fingers found the wetness of my pussy, and he slid them back and forth along the ridges of my fanny lips until I was practically trying to wriggle my wet love hole onto his fingers and suck them into me.

When he finally slid two fingers into my cunt, I shivered and moaned with pleasure. Shuddering violently, I came off hard on his hand, the audacity of our behaviour increasing the thrill. I think the sheer naughtiness of fucking a complete stranger in a semi-public place turned me on more than ever before, but I have to give him credit for being a wonderful fuck.

While I was still cumming, he continued to

draw the long thick shaft of his rock-hard prick between my thighs. I spread them wider as the hot, rounded tip of his dick nudged its way along my slippery folds until it found the entry to my dripping pussy. I wanted it so badly that my tits were heaving and I could barely catch my breath.

Pressing back on his cock I felt it slide inside me, opening me wide with its fat head and thick, rigid shaft. I began moving against his thrusts as he worked his cock inside me. He held both my tits in his hands as we rocked together, his prick pumping deep inside me with each rhythmic thrust. I was wriggling against him each time he entered me, my arse pressing hard up against him, trying to force his manhood as deep into my convulsing pussy as I possibly could and gyrating my hips so my pussy ground against the very root of his cock.

I cried out as I came, hoping the sound would be lost in the racket of the train's engine. My cunt clung to his cock, gripping tightly around it, and my body shuddered as he rocked against me, his cock moving only slightly as

it hardened and swelled in the vice-like grip of my pussy walls.

I felt, rather than heard, him groan as he came, his cock pulsing hot spurts of jizz into my pussy, our fuck juices escaping around his rigid cock, then oozing from my cunt and trickling down between my inner thighs.

The feeling was delicious beyond description, and I only started to come back to earth when he withdrew his softening prick.

Pulling me around, he kissed me hard on the lips before zipping up and leaving me to straighten up my clothing. As I headed back to my seat I realised that I did not even know his name. Strangely, I didn't seem at all bothered by this, and although he was charming and attentive for the rest of the journey he still didn't introduce himself before we parted at my stop.

Rocking it red for the new year, we've got Roxi Keogh flinging fun in all directions with her spicy sense of adventure raising one or two eyebrows. But what are Roxi's New Year resolutions? "Well, I don't think I went out enough in 2018, so 2019 is going to be the year of partying, and I want to have even more fun with hot horny guys. I enjoyed myself last year, but there's always room for more!" We're keeping our finger crossed that we're invited to the same parties as Roxi!

2018 WINNERS

It was a night to remember as the 6th Annual Paul Raymond Awards kicked off true to form, in a frenzy of nipple tassels and scantily clad women. Would we have been able to resist?

night and a winner. Well, Emma Green got her hands on the Mayfair crown for the third time in six years, while Hannah Brookes took up the Men Only mantle at the first time of asking. Penny Lee and Lucy Zera were also victorious on the night and Lacey Starr Productions walked away with the Adult Film of the Year Award.

Once all of the commotion settled down, the boombox came out and the real partying started with Dappy, Arful Dodger and DJ Ironk on the mic and class acts from DJ Pioneer and Tyson Brown rounding the show off. Bring on 2019!

TOTAL RECALL

Dear Total Recall,
I can remember when the first Club
DVD came out, and have quite the
collection up in my loft, which my
wife nicknamed the porn hole. While I was
up there the other day, I came across Vol.1,
issue No.2, and the heavenly delights of Maria,
with her neat pubes, bouncing tits and tanned
skin. To me she was and still is gorgeously
exotic, my cock stiffened immediately, and I
had to bash one out there and then without
delay. I have to say it was a great wank as
halfway through I realised my missus had
snuck up the ladder. Apparently, she knew
what I was up to and had come to join in.
Quickly she popped my cock between her
lips and gave me a hard suck until my balls
tightened and expelled my seed in her mouth!
So please show Maria again as my wife and I
would both love to see her in Club!
Eddy, N. Lancs.

Playstation Classic

Seeing the first ever Playstation making a comeback in classic form has officially made me feel old. I'm pretty sure it was only yesterday we were discovering the delights of Metal Gear Solid, Final Fantasy (followed by various Roman numerals) and Grand Theft Auto. Could it really be time to bash it out as a classic console? Sony thinks it is, and we don't mind the nostalgia in shrunken form, with added HDMI socket and USB controllers. The games are built in, and before you start dusting off your old PS1 games there is no disc play feature on the new classic model, and there has been a bit of debate around the games that are available. A fun trip back to youth and not outlandishly expensive.

This is the perfect fun gift for anyone you know who likes to bang the save the planet drum (yes, I'm one, and I keep my drum with me at all times). With LEGO's increasing commitment to green, planet-friendly production, the brick builders have teamed up with Danish clean energy group Vestas for the second time, to roll out the revamped LEGO Vestas Wind Turbine. There are some new features this time around with the build spec, but the power functions are still the same, and there is the all-important sugar cane build parts, as part of LEGO's commitment to sustainability. So build wise it was great fun, the end product with the rotating blades whizzing around looked smashing, and I like the 70's vibe house too.

Coffee & Tea Alarm Clock

The Barisieur

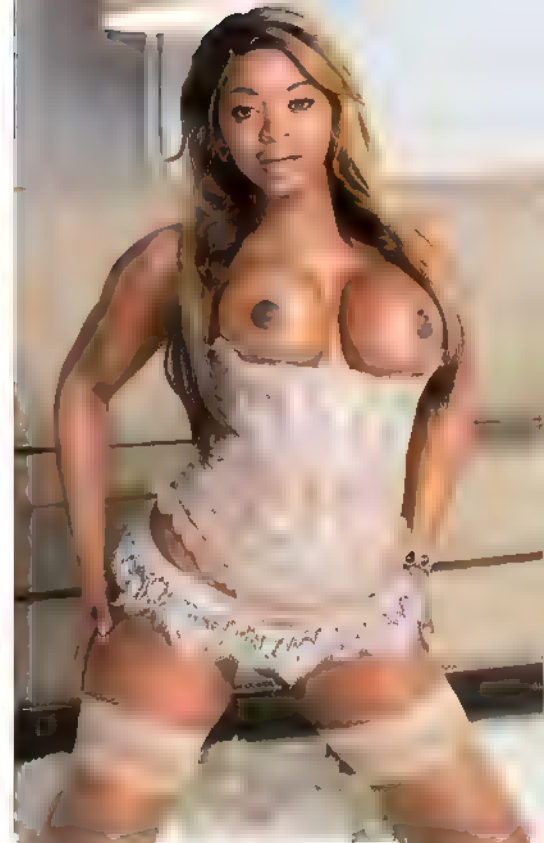

www.barisieur.com

My god, someone's finally amalgamated an alarm clock that makes your morning brew of choice in bed, so your ready to face the day without tripping over the cat and launching yourself down the stairs because your eyes are still glued together. Hang on, wasn't there something called a Teasmade patented in 1902 that did the job? That aside Barisieur's Coffee and Tea alarm clock is pretty stylish to look at with its vinyl deck-like appearance combined with a chemistry set. It all works with steam pressure as the liquid is pushed up and through the leaves or crushed bean of your choice. So upon leaving the sweet land of dreams where your narky boss had turned into a giant pirata you're happily whacking, you're greeted with a comforting and hopefully rousing aroma to kick-start your day. Sounds like a pretty stylish no-brainer to me!

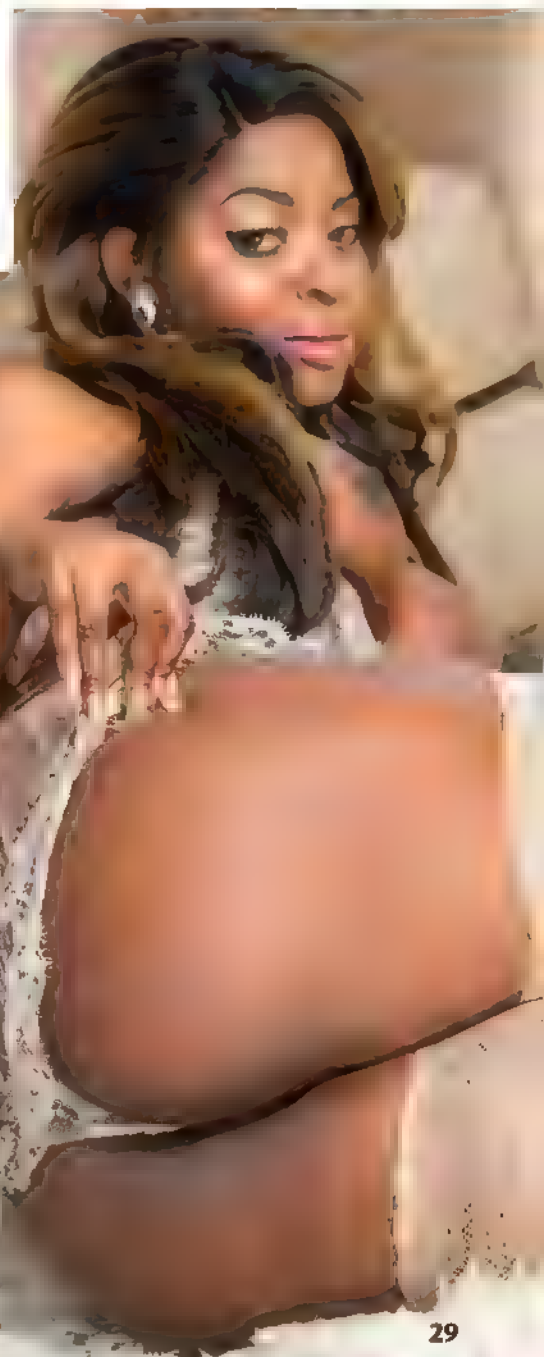

t's been a very long time since we last saw Jasmine Webb in our studio's, but thankfully she's back with us and stretched out on our sheepskin rug.

"It's very soft, all you need now is a roaring fire, glass of wine and a solid cock to have some fun with, and it would be just perfect!"

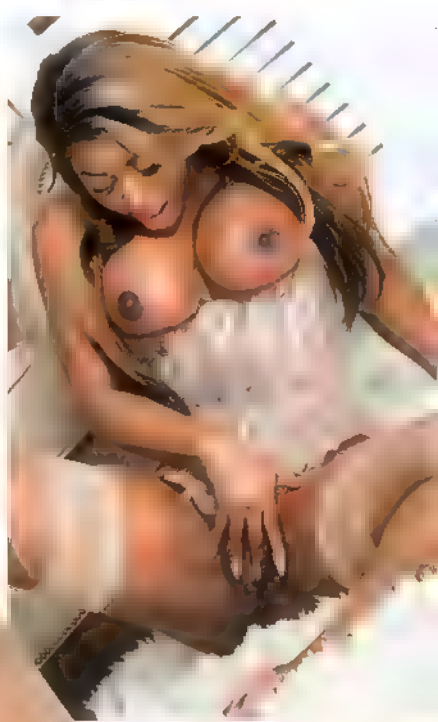

Well, there are plenty of solid cocks about right now we can assure you, Jasmine!

Thankfully this is no Frida Kahlo, as this naughty little minx opens up her petals to give you a good look before she goes to town with a large red friend of her own.

"I'm never self-conscious in front of the camera and love putting on a show."

Yes, we can see the entertainment is very lively with Frida!

SCRUFF JUSTICE!

Paris Sex Affairs

Private

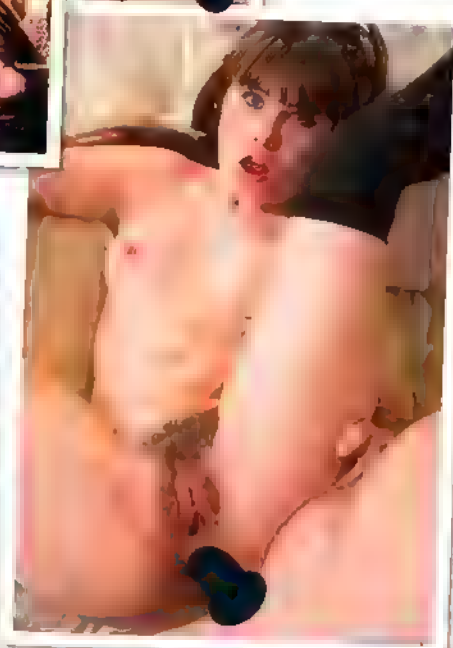

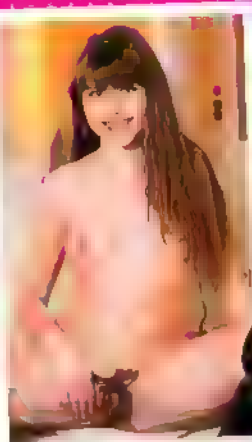

Starring: Rachel Adjani, Angele Karoll, Cassie Fire, Luna Rival and Francesca di Caprio.

Synopsis: "Bonjour and welcome to Paris, the city of love, desire and infidelity... After

Private's saucy new feature they might have to rename it to anal city! Once the world has seen the wild exploits and ass slamming adventures of the super sexy brunette Rachel Adjani, anal lovers around the world will be booking up tickets to cum and see all the sexy city has to offer. We bring you the debuts of the beautiful teen redhead Angele Karoll and the hardcore anal loving Francesca di Caprio."

Courtesy of Private.

Verdict: I thought Paris was the city of love rather than infidelity, but I guess every

city has its bright side, and it looks like Cassie Fire has put her broom down for a massage that relaxes her tonsils enough for the masseur to stuff his prick down her throat before filling her pussy to the brink by the pool. As we move through to the second scene, the red-headed 19-year-old Angele Karoll may seem young, but she knows exactly what she wants from her English teacher, as Karoll tit wanks his cock in some watchable action, as he fires off on her natural tits. There's the usual anal action available with Luna Rival's anal pounding by the butler being a particular favourite in this film. It's also good to see a hairy snatch on the screen for a change.

Rocco & Kelly: Sex Analysts

Evil Angel

Starring: Alexis Crystal, Amira Adara, Dahlia Sky, Kelly Stafford, Malena, Deborah, Dragon and James Deen.

Synopsis: "Porn legend Rocco Siffredi

re-connects with Kelly Stafford, the buxom British blonde whose combustible lust ignites many of his classic scenes. Now a full-grown MILF, she competes with the director to be the dominant hands-on therapist in 'Rocco & Kelly: Sex Analysts.' Stunning Kelly sports a black sweater dress, thigh-high boots, bare ass and bald box. She and hot Amira Adara slap and spit in a lesbian power exchange. Rocco's huge erection goes 'straight-to-anal' with both sluts amid ass-to-mouth fellatio and foot

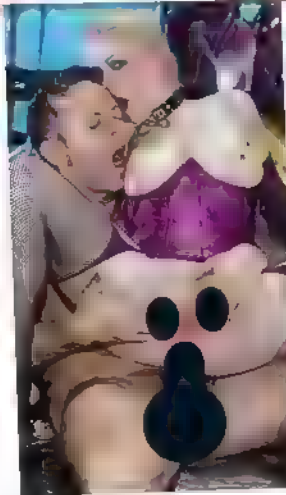

fetish. Hung Yanick Shaft and Mike Angelo double-penetrates pretty Alexis Crystal; her pussy squirts. Kelly and two studs manhandle blindfolded Italian Malena and two more girls; screaming Malena takes a DP, and double-anal reaming makes her asshole gape. Rocco and Kelly explore psychosexual issues in a visually striking orgy with Maddie O'Reilly, Dahlia Sky and porn rebel James Deen. Rocco, Kelly and Malena share a fierce, multi-orgasmic anal threesome. The lewd analysts' passion for porn and each other is palpable throughout this gorgeously filmed production."

Courtesy of Evil Angel

Verdict: Get ready for some hardcore action that takes no prisoners, with a straight in

anal pounding from Rocco, with a touch of foot fetish from Kelly and Amira, which will please tootise fanatics. There's a fair amount of trussing up and power play in Sex Analysts that will hit that niche market, so if your keen then get yourself bound up with this lot for some hot action.

Kayleigh 
PHOTOS: BB MEDIA

Anyone who is interested in tattoos can see that débutée Kayleigh Wanlass here is quite the connoisseur on skin and ink, and with one sleeve already completed, I ventured to ask if the other arm was inf or the same treatment?

"Absolutely, I'm already up to my elbow, so not long to go now and then I'll be sleeved on

both sides. I'm also thinking about a few more piercings, but I haven't decided where yet!"

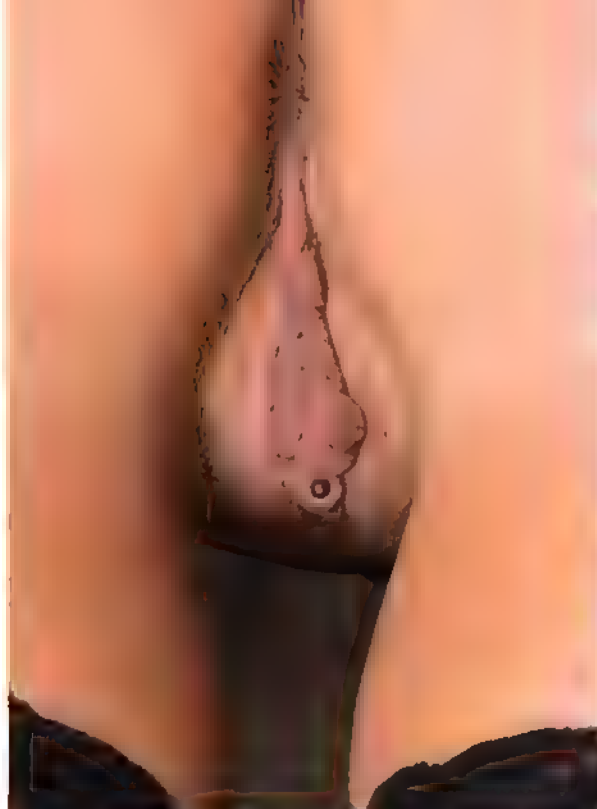

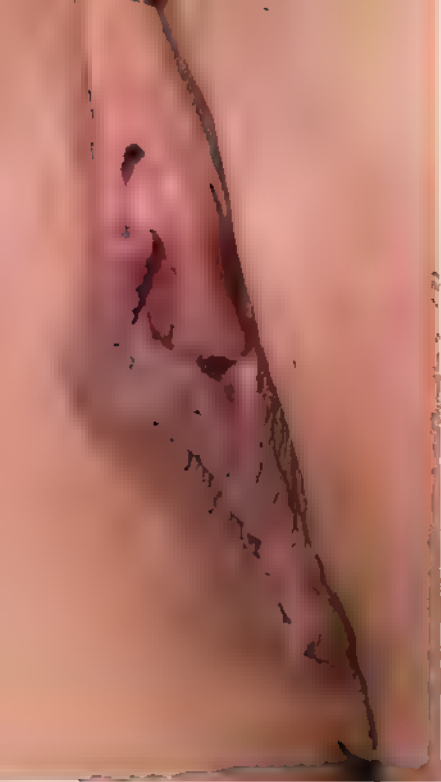

Well, we shall wait in anticipation of your next move, but for now, we're just fascinated by your clit piercing.

"You've no idea how much pleasure that little bit of metal has brought me."

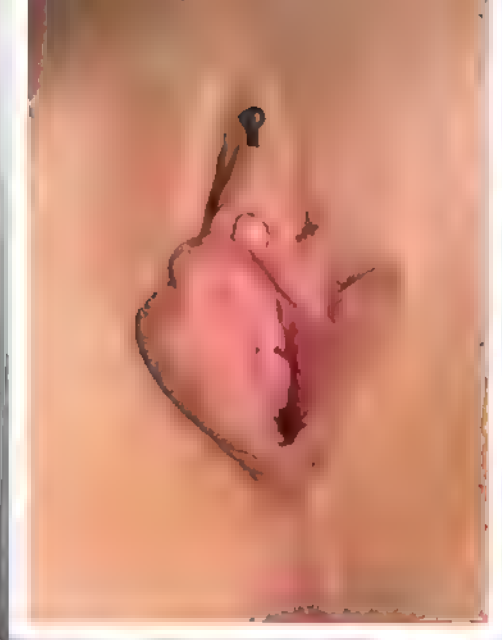

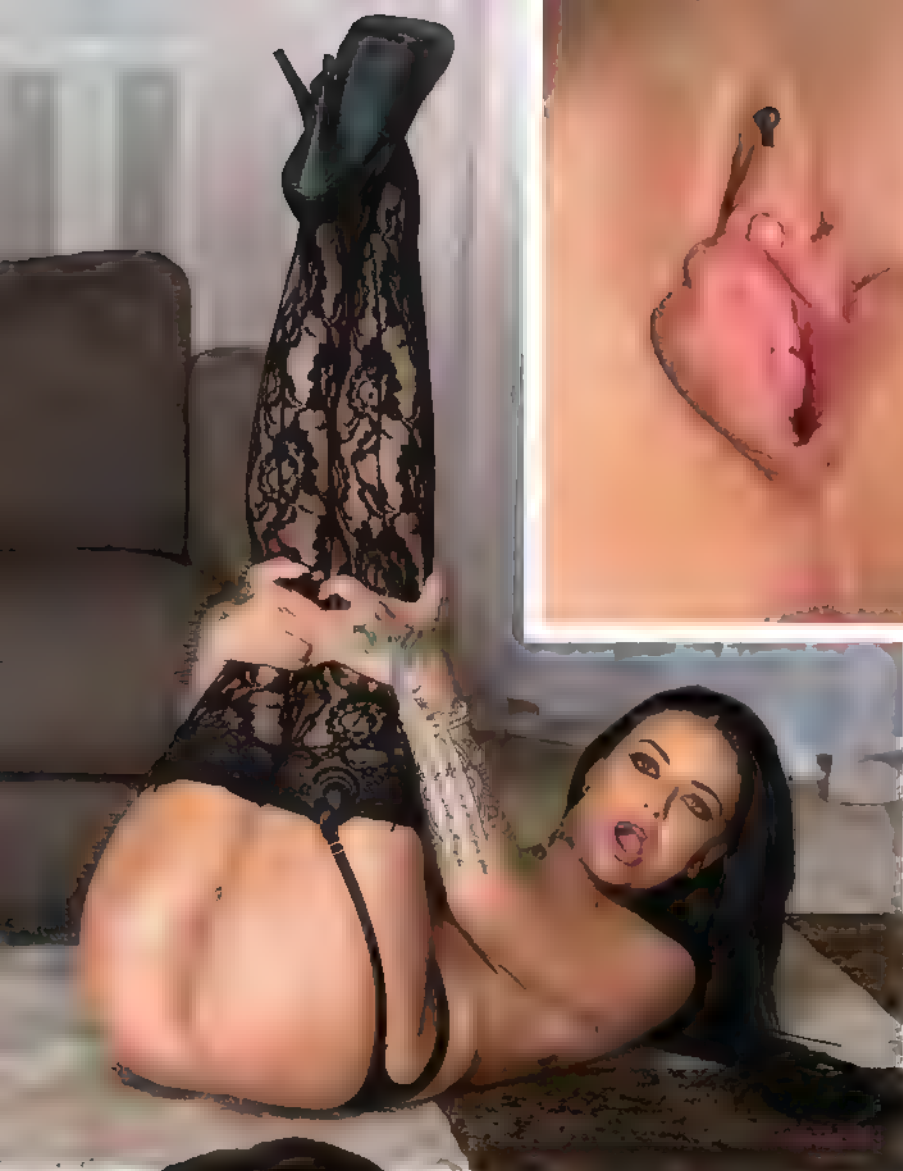

No, we don't, but we'd more than like to find out!"

It looks like Layla has fallen on her high heeled shoes, as she totters around a very indulgent looking office, and that telephone is something else!

"I did once work as an assistant to a very well-to-do gentleman, everything in his office was dark and rich, pretty much like this, and he was absolutely immaculate and very authoritative. I used to spend most of the day with very wet underwear, and then I'd race home to slip a vibrator onto my clit for relief."

Looks like someone was the boss of Layla, we did ask if the gentleman in question took advantage of her lustings, but Layla's lips were firmly sealed on the subject.

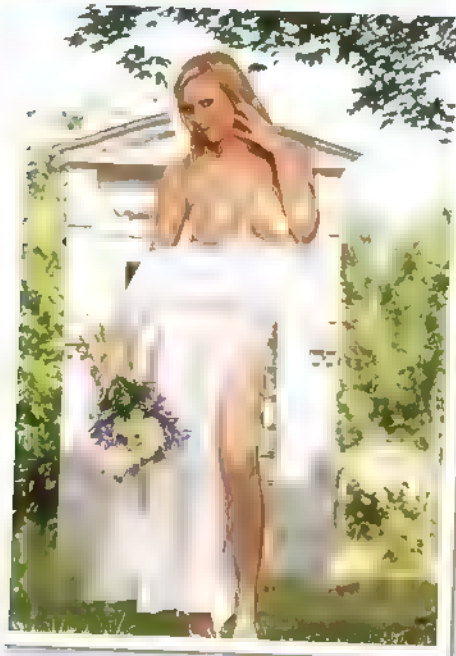

Talkin' Blue

SHED HEAD

I work as an assistant gardener at a local sixth form boarding school for girls, looking after the lawns and flower beds. The school takes girls aged between 16 and 18 and the other gardeners and I have now got used to the wolf-whistles and flirting from the girls.

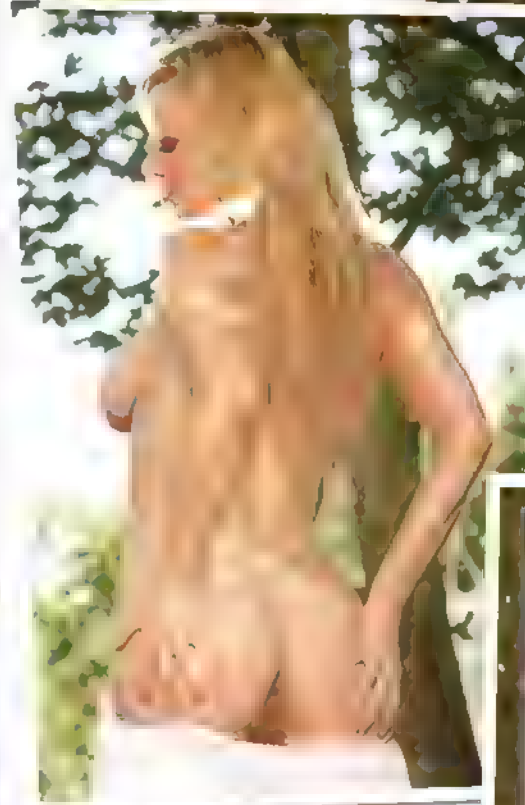

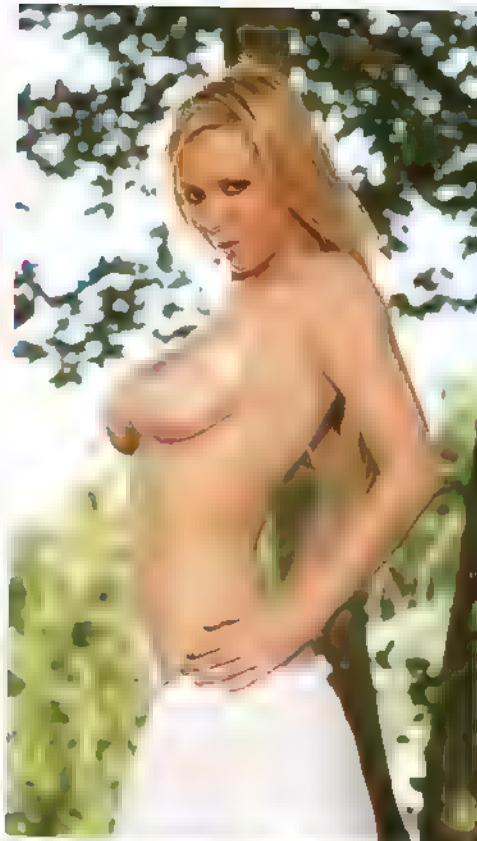

One girl who had taken my eye was called Janet. She was 18 years old, with a very sensuous mouth, full lips and her breasts peeping through her school blouse in an

inviting fashion. Then just a week ago things started happening.

I was working on a flower bed below the girls' bedrooms when I heard someone whistling me. I looked up and both Janet and another girl were leaning out of a first floor window, giggling. Then Janet flung a note down to me and both girls disappeared. When I read the note my prick began to stir in my trousers. Janet had written "I really fancy you and if you fancy me too, I'll be at the shed at 8.00pm tonight." Now the shed in question is a large, wooden hut where we store the flowers and composts. It's well away from the school amongst bushes and trees.

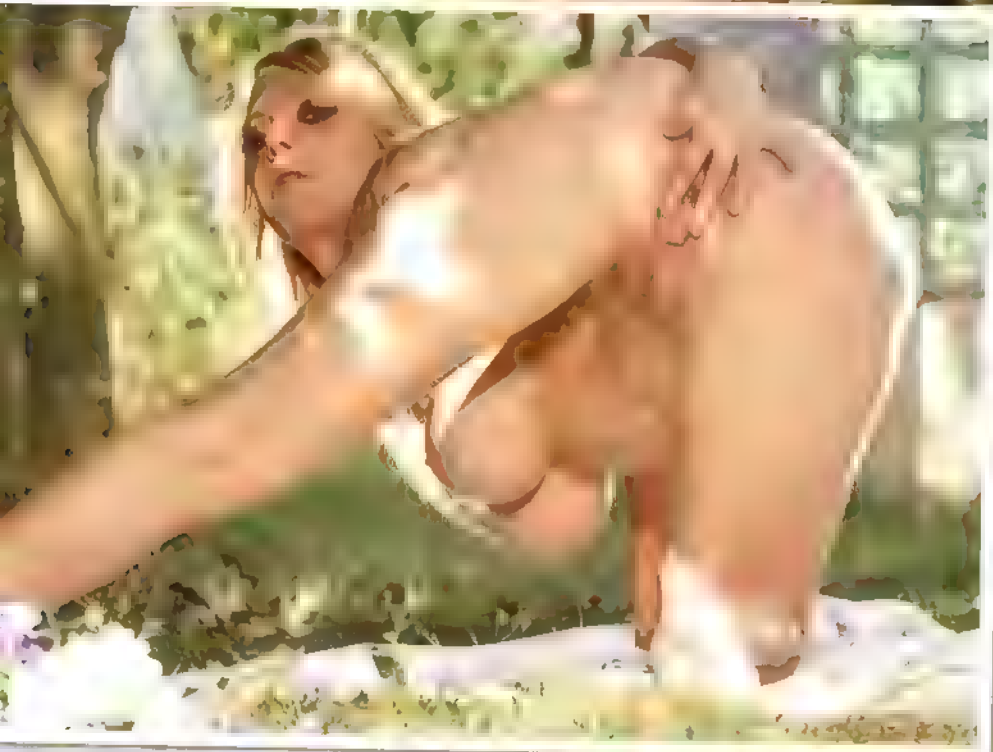

I never told the other lads about the note, but when I finished for the day I had a quick snack and shower and just before eight

"She responded frantically to every thrust of my dick until it was squelching up and down in her..."

o'clock made my way to the shed. I quickly cleared a space in one corner and spread a couple of clean sacks on the floor, just in case Janet turned up. Then I saw her coming through the trees, dressed in her school blouse and skirt. I let her in and she stood nervously against the back wall of the shed, breathing heavily.

"So," I said, "you're the girl who fancies me, are you? What are we going to do about it, then?" "Well, I suppose you could kiss me if you want," she replied quietly. Next moment I was kissing her warm, full lips and boy, was she ready for it. She

opened her mouth and then we were tonguing each other feverishly. I fondled her large, soft breasts through her blouse, then groped her rounded bum through her skirt. When I went to pull the skirt up she broke away and said breathlessly “You’d better lock the door, hadn’t you?”

I went over and turned the key, then turned back to Janet. I was glad to see that she’d taken the hint and was sitting on the sacks. I joined her and she lay back with a sigh, her skirt riding up her bare thighs. “That’s better. Now, where were we?” I asked and started tonguing her eager mouth again. She didn’t resist as I slid my hand up her skirt onto that bare, warm thigh; in fact she opened her legs wider. Janet gave a gasp as I traced the outline of her soft, hot, wet and very moist cunt through the gusset of her little panties.

With my very stiff cock now trying to escape from my trousers I said “Do you want to do it with me now?” She only moaned, nodded and opened her legs wider. “Let me take your panties off,” I said and she lifted her bum off the sacks so that I could pull her white knickers right down and over her feet. I caught a glimpse of her patch of pubic hair as I lay close to her so that she could feel my throbbing hard-on pressing through my trousers onto her thigh. Then my fingers found the soft, hot lips of her cunt which was getting wetter by the second. Janet gave a gasp as I found her clit and when I stroked it she moaned and pulled me closer. Then I slipped a finger up that soft, velvety cunt and friggd her gently.

I hoped she’d know what I meant when I asked her if it would be alright if we did it properly; she just moaned and nodded slightly. In a couple of seconds I’d got rid of my trousers and pants and my prick sprang up ready for action. Janet lay there with her eyes closed, panting with desire as I got over her. I pulled her knees up on each side of me and she quivered when I stroked my huge, smooth knob against her cunt lips, making it slippery with her wetness.

“Here I come,” I said and eased my rampant prick into her clinging wet sheath of girl flesh. Janet gave a loud gasp and cried out “Oh, it’s too big for me.” “No it’s not,” I replied. “I want to thrill you now. Put your legs up around me.” As she did so more of my weapon slid up her luscious, clinging wet cunt. Then I was fucking Janet with slow,

steady thrusts of my stiff prick. To my delight I felt her beginning to respond to my fucking by using her hips and digging her fingers into my back. "That's it Janet. Fuck my big cock. I know you want to come. You do want to come, don't you?" I said. Then we were fucking fast and furiously as she responded frantically to every thrust of my dick until it was squelching up and down in her sopping cunt. Harder and faster we fucked until Janet came. And what an orgasm it was! She let out a loud scream of "Oh, yes," bucked frantically with her hips, then tightened her legs around my waist like a vice. When her cunt muscles squeezed around my shaft it was more than I could bear. After a few fierce lunges I was shooting spurt after spurt of my spunk into her

“Then I slipped a finger up that soft, velvety cunt and frigged her gently.”

pulsating pussy in a fantastic and glorious climax of my own. It was incredible. I don't think I'd ever felt so good before. What an eager fucker Janet had turned out to be!

As the very last spurt of spunk jetted into her Janet gave a last lustful heave of her hips and fell back onto the sacks. We lay there getting over that terrific first fuck and after a few moments Janet gave a loud sigh as I finally pulled my slackening dick from her sopping wet cunt. I rolled off and lay beside her with my hand on her damp patch of pubic hair.

“God, that was absolutely fantastic Janet,” I said. “Are you alright? Was it good for you?” “Wow, yes. It was really wonderful,” she answered. “I didn't know it would be like that at all,” she replied. “I actually thought I was going to pass out.” “You mean, is what you're saying that you've never done it before? Not ever?” I asked in amazement. “Not properly. Not like that,” she giggled. “Last summer when I went home for the hols I let a lad of 16 I was going with do it to me, but he was so excited that he'd finished before I was ready. It was very disappointing, not like just now.” She giggled again.

Sadly we didn't have any more time to enjoy the moment because Janet started to get worried that she might be missed and immediately started to get dressed. She found her panties and mopped between her legs, saying “God, I've never been so wet before.” Then instead of putting them back on she turned to me, gave a big, cheeky grin and handed them over to me, saying “You'd better take these as a souvenir of our fantastic time.” I stuffed them in the pocket of my trousers, unlocked the door and watched as Janet made her way back through the bushes towards the school. God, her arse looked even better swinging its way back to the main building than I'd remembered it just a few moments ago when I'd been fucking her. “I'll have to see her again,” I thought to myself and to be honest I have done – three

times already! Janet's getting more and more adventurous with each meeting and I'm getting more and more shagged out! Still, you won't find me complaining. What do you think I am? Mad?

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PLAYING THE OLD JOHANNA

I've lived with my housemate Jez for about two years and we've shared almost everything; booze, money, food, substances. In fact, just about the only thing we haven't shared is women. That's because we like different types. I go for Sarah Michelle Gellar types, while Jez is into brunettes with hot tempers and big tits. That was, of course, until he met Johanna.

Johanna was possibly the fittest girl I've ever met. She was small – about five two – Norwegian and typically Scandinavian. She had really healthy-looking, tanned skin, straight blonde hair down to her shoulders, and the most perfect Jennifer Aniston tits you've ever seen. And the most gutting thing about her going out with Jez and not me was that I'd worked with her for over a year, fancied her for ages, but never said anything and had actually introduced her to Jez when he came along with me as a guest to my works do. He pulled her that night and they stayed together.

Anyway, Johanna had been staying with us for a few months while she found a place of her own and was always doing stuff like 'accidentally' leaving the bathroom door open when she was having a shower or walking around in one of Jez's T-shirts with no knickers on, so that when she sat down I got a full picture of what I couldn't touch. And, of course, she only ever did this when Jez wasn't around. But when I got hot and flustered or averted my eyes she'd say "Don't be so fucking English. It's just my fanny," or "Don't cry. I'm sure you've seen tits before." I think she did it on purpose. She was a proper fucking prick tease.

Then one Sunday Jez was away for the weekend on a team-building exercise with work and it was boiling hot. I was getting ready to go to the park and play footie with the lads and as I left my room I saw Johanna come out of hers in the tiniest of string bikinis. Her full tits strained at the thin, pink material, while the smallest triangle covered her pussy, with the string disappearing up her arse.

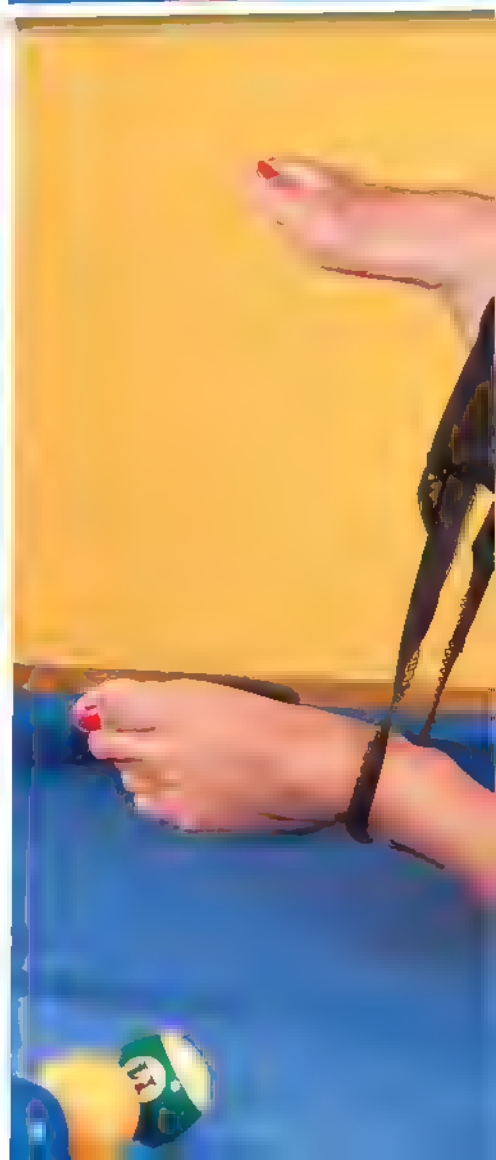

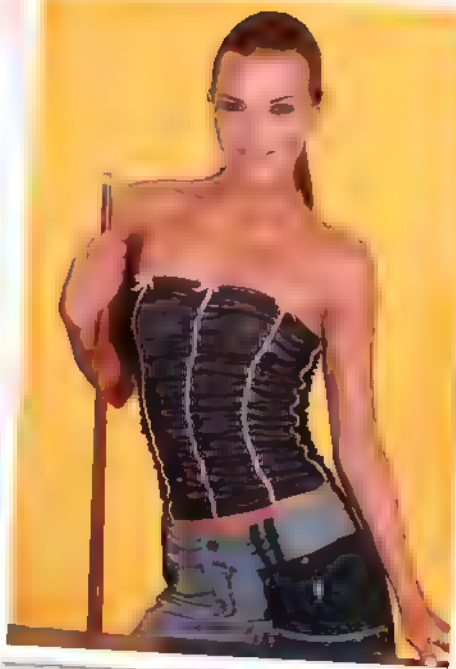

"I'm going to the park," I said. "Do you want to come?" She looked up at me, surprised at first, then with a huge grin spreading across her face. "Do you mean 'Come to the park'? Or just come?"

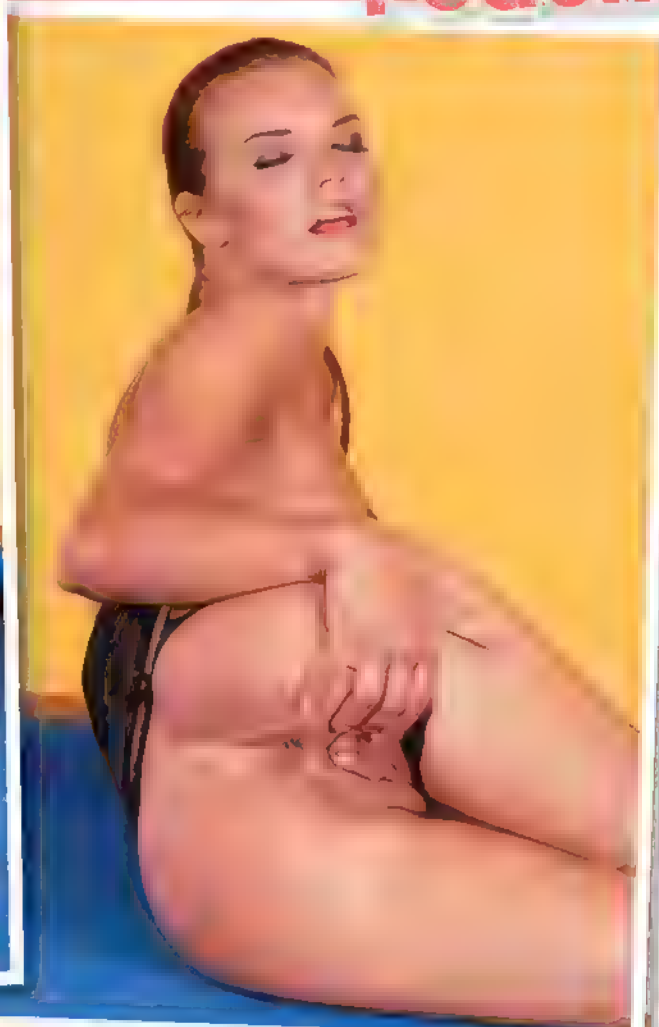

"You know what I mean," I said. It was

"I shot every last drop of spunk deep into her sweet, tiny hole."

too hot to be led up the garden path by her bullshit.

"No thanks," she said. "I've got gin, tonic and a good book. I'm going to sunbathe." And as she spoke, still looking up at me, she untied the strap of her bikini top and took it off. She just stood there looking at me, smiling, waiting to see my reaction. I couldn't help but stare at her perfect tits and her ever-so-slightly hardening nipples. "Suit yourself," I mumbled, despite the raging stiffy in my shorts. She tried not to laugh, passed me a bottle of sun cream and said "Will you do my back?" She went into the lounge and lay face down on the couch. "Come on! I don't fucking bite," she said, laughing into her elbow. I thought "Fuck it", went and got the bottle, then straddled her knees so that I could look at her arse and the string that vanished up it. I poured the lotion straight onto her back and she gasped, tensing her butt cheeks, which I enjoyed looking at. She relaxed, though, when I started to rub the cream into her back and she started to purr contentedly as I made bigger and bigger circles on her back. I decided to push my luck and bit by bit I rubbed the lotion on her sides, closer and closer to her gorgeous tits, which were now

“There was a dribble of juice running down her thigh.”

squashed against the couch. She didn't flinch until my fingers actually stroked past her hard little nipples

“Er, I can do my front,” she said, giggling. “I just need you to do my back.” “Fine,” I said. I was feeling cheeky and just wanted to see how much I could get away with. I started rubbing her back again and it didn't take me long to get to her beautiful pert bum. She moaned a little louder as I rubbed the cream into her actual arse cheeks. “Hello?” I thought. So I tried rubbing the cream a little deeper into her butt crack. She didn't shout or call me a perv, but sighed heavily and shifted her weight to make her arse a little more exposed. This time I put my fingers so deep into her crack that I could actually feel the heat radiating from her oven-hot pussy.

“That's it,” she whispered. “That's good.” I couldn't believe what I was hearing. Was she really coming on to me? I thought she was just a naturally flirty, open Scandinavian bird, but now it looked like she really wanted me to stick my fingers up her arse. I dipped my hand deep between her legs again and as I brought it back I firmly stroked her clit, then went over the entrance to her soaking fanny and onto her puckered arsehole. She gasped again, but this time pushed her arse up, spreading her cheeks a little and parting her legs a bit. Now I

could see her bum hole and a bit of her fanny lips either side of her thong. I pulled the thong to one side and whilst holding her cheek, pushed my thumb into her sopping pussy as far as it would go. She responded by pushing back onto my thumb and letting out a long moan.

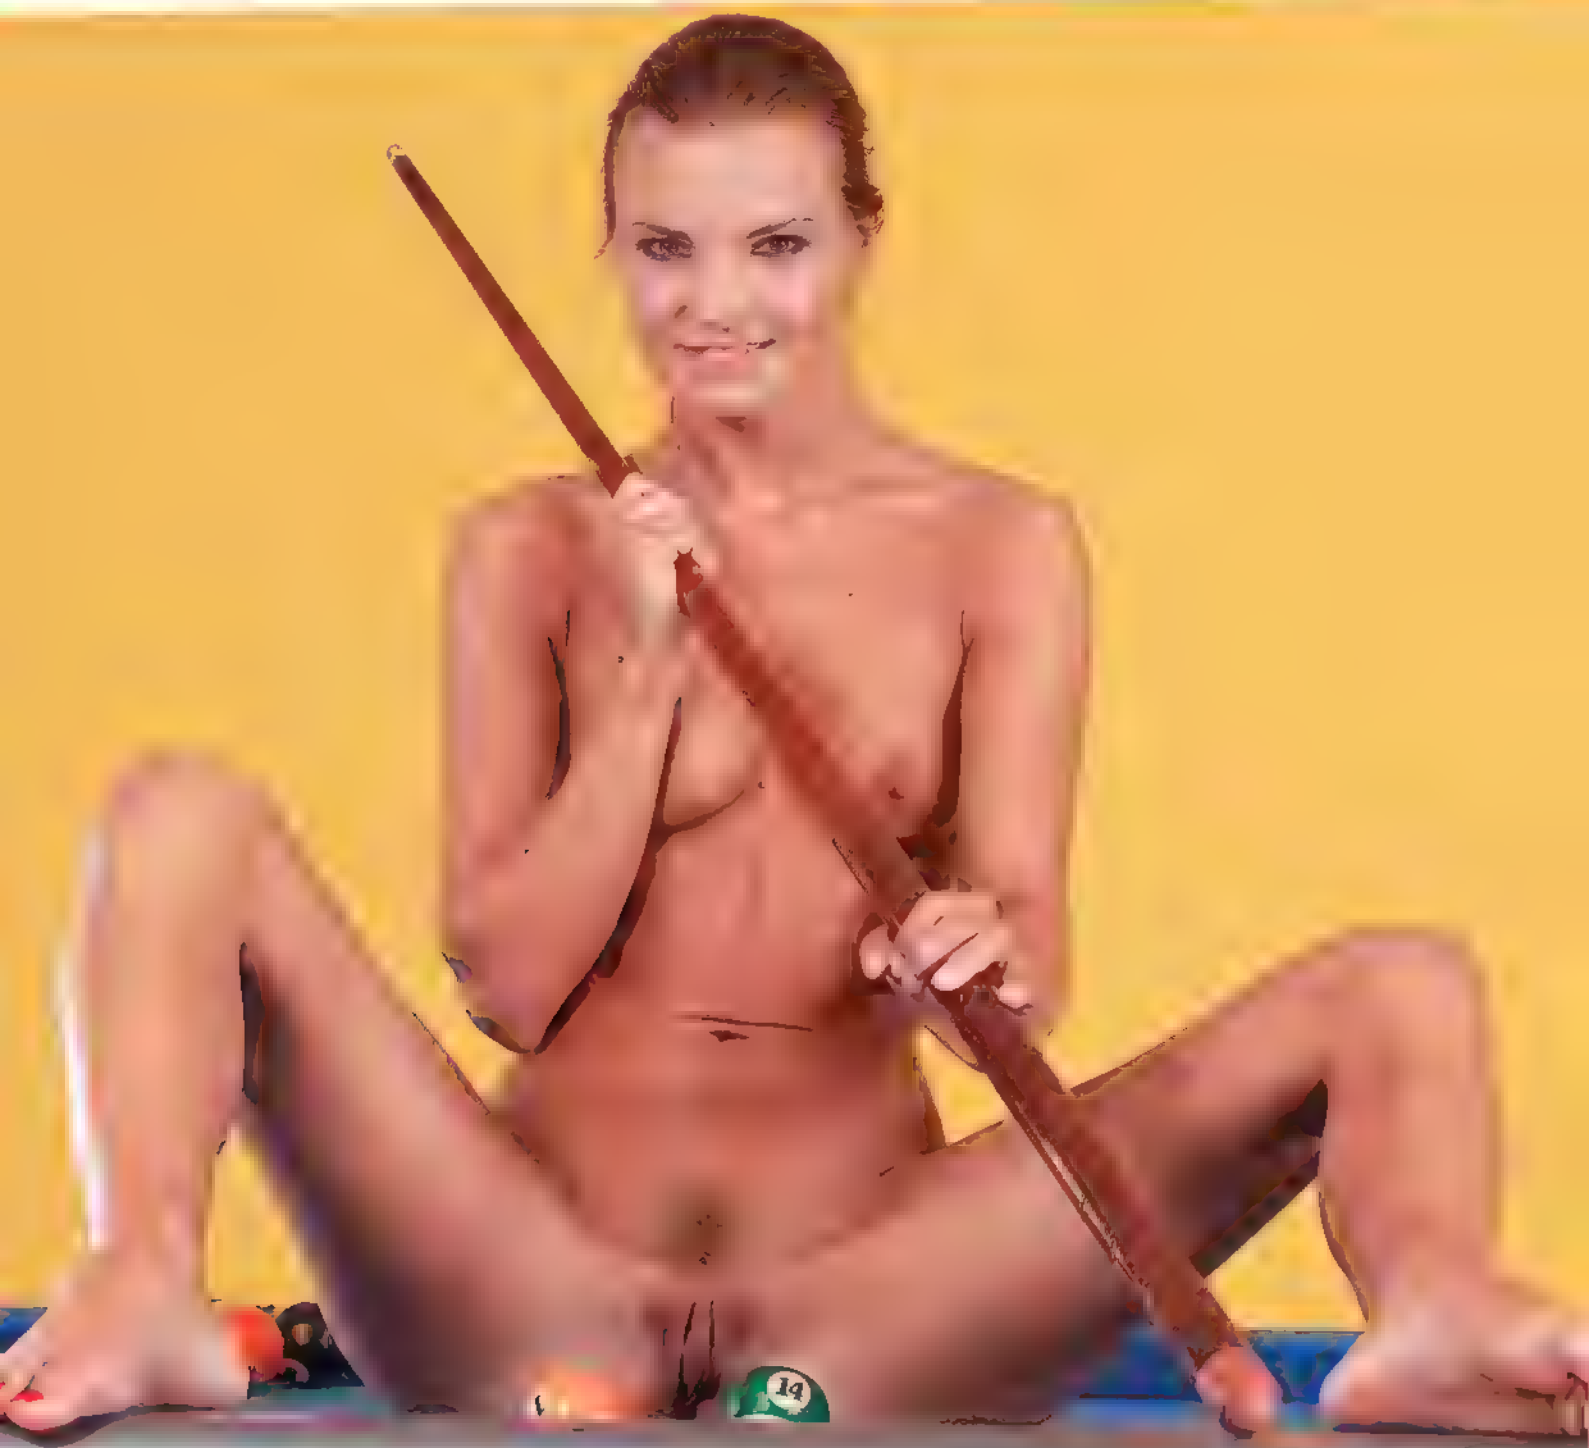

I slowly started to move my thumb in and out of her juicy cunt, building up a rhythm. Johanna was now on all fours, sweet arsehole in the air, rocking her body gently, letting out a little moan every time my thumb pushed into her. After a couple of minutes my thumb started aching and so I took it out and put two fingers in her instead.

“Oooh, fuck that!” she said hoarsely. “Put your cock in me! Fuck me properly. Please!”

She looked back expectantly at my cock, which was now straining at my shorts. I kept my fingers in her to keep her going, but was struggling to get my cock out with my left hand. She tutted and impatiently reached behind her and just pulled my shorts down roughly. My dick sprang out and she grabbed it, then pulled it close to her hot, tight pussy, so wet that there was a dribble of juice running down her thigh.

As I put the head of my cock to the mouth of her hole she whined and grabbed my hand, jerking my body forward and my dick deep into her. As I started to deep fuck her she groaned and put my still-sopping fingers in her mouth, sucking her own juice off them. Then she said “Use these fingers to touch my arse.”

I carried on banging her, trying not to blow my load inside the girl of my dreams as I squeezed first one, then both slippery fingers into her small, hot anus. She reached underneath between her legs and started to rub her clit furiously. Her hand got faster and faster, so I started speeding up with each thrust, going in as deep as I could. Within a couple of minutes I was ready to shoot my load so I slowed down and eventually pulled out, thinking maybe she'd finish me off in her mouth. But as I took my cock out slowly and deliberately she put her head against the arm of the couch and with both hands reached behind and spread her cheeks.

"Try not to do it too hard," she said, opening her small, dark bumhole. I couldn't believe my luck, so without any argument I got my cock and firmly yet carefully forced

it into her arse. The fanny juice on my cock and the lotion were enough lubrication and before long I was starting to thrust steadily into her gorgeous, tiny arse. She had started rubbing her clit again and was breathing so hard and fast it sounded like she was going to come any minute. I thought I was about to as well, but she obviously sensed it, because she managed to whisper "Don't come in my arse." That had been the idea. "So where then?" I asked. "In my mouth," she gasped, but it was just too late! I grabbed her hips and pulled her back hard as I shot every last drop of spunk deep into her sweet, tiny hole. As my cock jerked inside her she started to come and that made her arse clench repeatedly as she rocked her pelvis uncontrollably.

As we both got our breath back Johanna

turned round with a huge grin and said "I knew you'd do that. I could feel I was about to come, so I said that just to make us come at the same time." Clever bitch!

It never happened again, though, because Jez found out and dumped her. We've stayed mates, though, and when I asked him why he speaks to me and not her, he said it was because she'd never let him do her up the arse! He's gutted!

Club newbie, Rebecca Volpetti was an instant success in front of the camera, in fact, we had to tell her to slow down she was so eager to show us what was underneath her little corset, mind you, we were just as anxious to find out. And it was worth a little bit of suspense as you can see for yourself...

What our well-placed moles are telling us this month...

DOWN THE WIRE

THERE AIN'T NO SANITIZER CLAUSE!

Now you can
sanitize your
insides too!

It's not just in hospitals that they get through lakes of hand sanitizer. Hard-up boozers are finding the anti-bacterial liquid a boon as well. Jennifer Amanda Wilcox, 36, of Connecticut, was pulled over by police, breathalysed and charged with driving under the influence. She denied having had a drop to drink – don't they all? – but after failing the test she revealed that she'd put away half a bottle of alcohol-based hand sanitizer – the equivalent of 32 shots of vodka. She told a local TV channel that her main reason for necking the sanitizers was because she, 'saw it there'. What other reason do you need?

THAT HURTS!

Stories you thought you'd never see No. 15,481. A dominatrix fined for hurting her client. In Germany (which, lest we forget, leads the world in scat films, the filthy bastards) a sex-worker has been charged by her

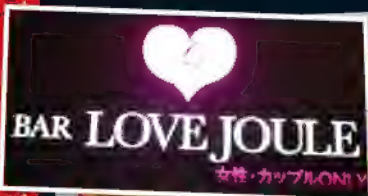

That's gone
all the way
up for sure!

client – a 49-year-old undertaker – with hurting and robbing him. He claimed he'd been detained for five hours, which sounds par for the course for sub-dom play. Brilliantly, the court decided it couldn't pass judgement as both the prossie and the client had done too much cocaine. The dominatrix paid a nominal fine to a charity, but added that she didn't keep the gravedigger against his will, and that he'd actually requested if they could be joined by a transsexual. Again: Germany.

BAR PHWOARS!

When the All Bar One chain first appeared on our high streets, people chimed up that, at last, there was a light, airy, safe space for women to have a drink. No more do they need to brave the insalubrious old men's pubs of which Britain is rightly proud. In Tokyo, they've taken a women's only space to new extremes with the launch of Love Joule in the Shibuya district. Where you'd normally see optics and bags of crisps, Love Joule is lined with sex toys and owner Megumi Nakagawa says, "Once they take a seat, customers are able to experience a pleasant place in which they can openly discuss masturbation." Which is pretty much what men do in Wetherspoons.
